

Law Firms & Attorneys

EisnerLubin llp has close working relationships with law firms and attorneys in the tri-state area, supporting them with a wide range of services and engagements. As fellow professionals, we understand the issues and challenges you face. Expert advice on profitability and cash flow, operational guidance and more is available to help your firm meet its goals.

Services, tailored to your individual requirements, include:

- Tax planning and compliance for the practice
- Tax planning and compliance for the attorneys
- Audits, reviews or compilations of financial statements for the practice
- Employee benefit plan audits and related services
- Information Technology services

We also work in conjunction with law firms on client engagements. Depending on the specific circumstance, our team works directly with your clients or behind the scenes, reporting to you alone. Our experienced professionals take on as much or as little of each project as you require in delivering timely, accurate, cost-effective engagements.
